# The Islam Seminar: “The Quran & New Testament Christianity”

Islam is the second largest religion in the world—and swiftly closing the gap with Christianity. The largest Muslim nation in the world is not even in the Middle East.

Islam is making extensive encroachments into American life. Over 1200 mosques dot the American landscape from California to New York—over half of which have been founded in the last two decades. Politicians now freely include Muslims in their allusions to the social fabric of the nation. Attempts are being made to include the teaching of Islam in the public schools.

The seminar addresses such questions as:

*Who was Muhammad?*

*What is the religion of Islam?*

*What are Islam's central doctrines?*

*Who are the Sunnis and Shi'ites?*

*Why do Muslim terrorists hate Americans?*

*Does the Quran possess the attributes of inspiration?*

*Are Christianity and Islam compatible?*

*What should Christians do?*
